A substantial home completed in 2000 for the present owners finished to exacting standards using top quality materials. Impressive double wooden doors lead to a welcoming reception hall which in turn leads through to a comfortable lounge with feature log burning fireplace and a cosy reading nook. Open from the lounge is a good size dining room which has direct access to a quality fully fitted kitchen. To this level there is also a useful guest cloakroom. A beautiful marble staircase leads to the first floor where there is a master bedroom with separate dressing area and access to a sunny terrace, two further double bedrooms both with built-in wardrobes and a lovely family bathroom. Stairs from this level lead to a useful laundry room and access to a good size dual aspect roof terrace with lovely sea and mountain views. Below the main property is a large semi-basement area with plenty of natural light and direct access to the outside space. This space is currently divided into a lounge area, a room with plumbing for a kitchen, a sleeping area with shower room and a storage room. With very little expense this could all be converted in to a fantastic independent apartment. Externally from the main entrance level there is an external dining area with built-in BBQ, stairs lead down to a beautiful private swimming pool and ample off street parking with direct access to the house.
